ADDITIONAL PARTICIPATION

- 1) Second-year Resident **Mike Bao, MD**, will be participating in RSNA 2021 as part of the [Introduction to Academic Radiology Program](#). Co-sponsored by RSNA, the Association of University Radiologists (AUR), and the American Roentgen Ray Society (ARRS), this course shares the importance of research in diagnostic radiology and the excitement of academic careers in radiology. Participants will meet successful clinical radiology researchers, future colleagues, and potential mentors.
- 2) **Francesca Rigioli, MD**, has been interviewed by Linda Chu, MD, for the *Radiology* podcast regarding Dr. Rigioli’s paper that was published in *Radiology* in September. The podcast episode will be broadcast in December.
